

# Donate Today!

At Forests Ontario, we're dedicated to making Ontario's forests greener. Our ambitious planting initiatives, extensive education programs, and decades of community outreach have helped plant millions of trees in the province each year—and it's through these efforts that we're bringing our vision for healthier forests to a new generation of stewards, partners, teachers, and donors.

Our forests are our future, giving the gifts of clean air and water, renewable resources, wildlife habitat, and places to play, camp, and hike. Your support will help grow tomorrow's forests and inspire future green leaders
