

Green Your Next Event!

Spruce up your next event by offering Forests Ontario tree seedlings. Our White Pine and White Spruce seedlings come wrapped in burlap and include a planting instruction card. Seedlings make lovely tokens for your guests and are the perfect way to green your event.

Tree seedlings cost \$4 each and a minimum order of 80 is required. If you wish to make a donation in lieu of seedlings, you will receive placement cards for each guest in commemoration of your commitment to greening your event. Proceeds from seedlings and donations support Forests Ontario's forest restoration and education programs.

At Forests Ontario, we're dedicated to making Ontario's forests greener. Our ambitious planting initiatives, extensive education programs, and decades of community outreach have helped plant millions of trees in the province each year—and it's through these efforts that we're bringing our vision for healthier forests to a new generation of stewards, partners, teachers, and donors.

Thank you for supporting a greener, healthier, and prosperous future for Ontario!

Your Purchase *Please return this portion with your cheque or credit card information to the address listed below.*
