
Annual Conference

The Ripple Effect
Our forests in a changing climate

Friday, February 9th, 2018

“Algonquin Forestry Authority supports the conference because it attracts a captive audience of forestry enthusiasts that are not only eager to share their knowledge, but also to learn about new and innovative ways that we manage Ontario’s beautiful forests.”

—Algonquin Forestry Authority, Sponsor

“The Annual Conference was useful in that it helped to build relationships between groups that have not usually worked together—taking on new initiatives and pooling resources. A great start!”

—Conference Attendee

“As an exhibitor, it is hugely valuable to be able to access attendees throughout the entire day - the networking opportunities stand out.”

—Conference Attendee

The largest forest conference for landowners, forestry professionals, and educators in Ontario.

Connect with more than 300 conference attendees as we explore the theme of **Climate Change**. Our Annual Conference brings together a diverse audience, engaging speakers, and unique organizations to explore current issues regarding Ontario’s forests. 

Support Us

Become a sponsor of the 2018 Forests Ontario Conference and show your commitment to our goal of creating abundant, healthy and sustainable forests.

As a sponsor you will:

- Reach a diverse audience of landowners, conservation professionals, government representatives, educators and those interested in the health of our forests
- Promote your products and services, and increase your brand’s visibility
- Align yourself with an organization committed to the health of our forests
