

Do you have open land or extra acreage? Planting trees is an excellent way to add value to your property and has never been easier. If you have 2.5 acres or more of open land you may be eligible for the 50 Million Tree Program, and we will plant the trees for you. The 50 Million Tree Program provides funding support and technical assistance for landowners looking to plant trees on their property. Submit an application to day at [www.forestsontario.ca/50MTP](http://www.forestsontario.ca/50MTP)
